Subject: Mortgage Broker Testing Committee

The Arizona Department of Financial Institutions (AZDFI) is required by Arizona Revised Statutes [§6-908](#) to establish a testing committee to create, periodically update and establish standards for passing a test for mortgage brokers. The committee is also responsible for updating, as needed, the handbook for mortgage brokers.

The committee shall consist of five members appointed by the Superintendent every two years. Four of the members shall be licensees appointed from nominations submitted by licensees and one of the members shall be an employee of the Department.

I'm writing to you today to invite you to submit your nominations for potential members for the testing committee. The committee will meet as needed to complete their statutory responsibility.

Please submit the Mortgage Broker Testing Committee Nomination Form to AZDFI before July 18, 2014. Please remember that you must include the nominee's resume with each nomination submitted. No more than five nominations per licensee are allowed in compliance with Arizona Administrative Code [R-20-4-920](#). You may also find this application on the Department's website at www.azdfi.gov under news and press.

Thank you in advance for working with us on this important task.
